

Technical Training Class Spring 2010

INTRODUCING...

ALL NEW TOP LOAD WASHER THAT WILL REPLACE THE DIRECT DRIVE WASHER

Its that time of the year again. Page #2 has the training dates & locations available.

Important: Due to limited space in some training locations, if a session hits maximum capacity, your first choice may not be available. These dates are on a first come, first serve basis, so please email me ASAP to have the best opportunity for the class of your choice. These classes will be half day classes with some locations having a morning and an afternoon session. You only need to attend one session

Please provide following information when registering for a class.
