

Maytag brand and Jenn-Air brand dishwasher Recall Information

Maytag Corporation, in cooperation with the U.S. Consumer Product Safety Commission (CPSC), today, February 1, 2007, announced a voluntary recall of approximately 2.3 million Maytag brand and Jenn-Air brand under counter and portable plastic tub dishwashers. Service Pointer number K8178626 is posted on both the Service Matters and ServiceBench web sites; it contains service resolution information and details about the affected units.

The method for processing your claims is as follows:

- 1) Submit via ServiceBench with your Whirlpool account number.
- 2) Claim form must contain all required information. Validate the model and serial number is correct according to the consumer's appliance.
- 3) Under warranty type, select "Rework"
- 4) Under authorization number, enter **R34353**. (To ensure proper payment the rework number **R34353**, **MUST** be included on your claim)

Should you or your customers have questions concerning this Rework, call 1-800-675-0535.
